Good evening,

The Virginia Department of Environmental Quality (DEQ) is in receipt of the above-referenced Stormwater Management (SWM) plan (Plan) dated and received on November 14, 2025. The Plan was prepared on behalf of Economic Development Authority of Appomattox County by Kimley-Horn Associates. Inc.

The submittal has been reviewed for administrative completeness in accordance with 9VAC25-875-110.C.1 and 9VAC25-875-510 of the *Virginia Erosion and Stormwater Management Regulation (VESMR)*, 9VAC25-875-10 *et seq*. **Based on this administrative review, the submittal does not appear to be complete.** The missing elements below must be addressed before DEQ can continue the Plan review and approval process:

1. If an operator intends to meet the requirements established in 9VAC25-875-580 or 9VAC25-875-600 through the use of offsite compliance options, where applicable, then a letter of availability from the offsite provider must be included.

Respectfully,

Suzee Poudel
